The following is an examiner's statement of reasons for allowance: The effective filing date of the instant case for all claims is that of the actual filing date, namely 11-1-01 given that the step of blending additional hydrogenated block copolymer and polyolefin with the first intimate blend is present in all claims. However, such a step of blending additional hydrogenated block copolymer and polyolefin with applicants first intimate blend is not taught or suggested by the prior art. While Adedeji et al.
